

The Final Empire

Brandon Sanderson

Mistborn Book One

"If I regret one thing, it is the fear I have caused. Fear is the tool of tyrants. Unfortunately, when the fate of the world is in question, you use whatever tools are available."

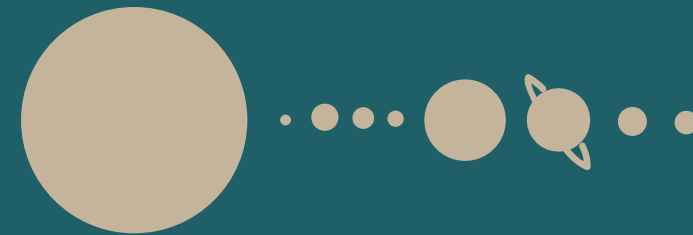

# The Well of Ascension

Brandon Sanderson

Mistborn Book Two

"I write these words in steel, for anything  
not set in metal cannot be trusted."

## Mistborn Book Three

"Remaking the world would have been easy, had one been familiar with the power. Yet, I realized the danger inherent in my ignorance."
