

The Final Empire

Brandon Sanderson

Mistborn Book One

"If I regret one thing, it is the fear I have caused. Fear is the tool of tyrants. Unfortunately, when the fate of the world is in question, you use whatever tools are available."

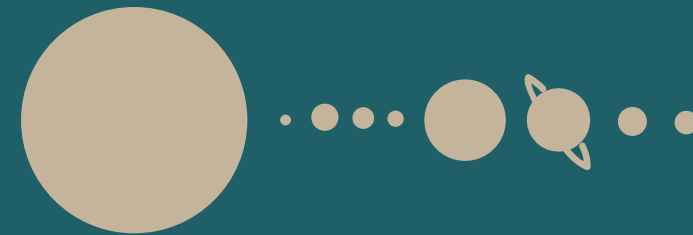

The Well of Ascension

Brandon Sanderson

Mistborn Book Two

"I write these words in steel, for anything
not set in metal cannot be trusted."

Mistborn Book Three

"Remaking the world would have been easy, had one been familiar with the power. Yet, I realized the danger inherent in my ignorance."
